From the East

Greetings Brethren!

October is set to be a great month! As the temperatures drop, I hope to see more Brothers out and about so we can enjoy each other's company.

Reminder that we are now back to our regular dress code. Suit and tie for Brothers and Black Tuxedo for Officers. I hope everyone enjoyed the casual dress for the Summer!

This month, we have our regular Stated meetings on Monday, October 9th and Monday, October 23rd. On October 23rd, we will have our District Deputy Grand Master Official Visit. We are looking forward to receiving him and his Committees and providing a great meal for the reception. Please, try to plan to attend if you can.

We have a Master Mason Degree on Saturday, October 28th at 12:00PM noon. Two Brothers will be raised that day and our Senior Warden, TK Krumenacker will be the Worshipful Master. The Brothers have been working diligently on this Degree and it is sure to be one for the books!

Finally, we have our last family picnic of the year on Saturday, October 21st starting at 10:00am. We are asking everyone to dress in costume if you'd like to make it more festive. This will be at Okechee Park and at a DIFFERENT Pavilion than last time. It will be held at the Tuskegee Pavilion from 10:00 am until 4:00 pm. Please, contact JW Rudy Romero for details and to RSVP. It will be a blast!

May the GAOTU guide and protect us,

Justin Shiver
Worshipful Master

Brethren,

Question: *For the purposes of a Masonic degree, is it more important to be factual or symbolic?*

A. Factual; we learn more from history.

B. Symbolic; we find deeper truth in symbols.

C. It doesn't matter, because the value of a degree consists in the lessons inculcated, and duties prescribed.

What do you think? Which answer did you choose? I believe the answer is letter "C"!

Schedule your Calendars for Two important events at Harmonia Lodge 138:

*** January 6, 2024 at 4PM- Officer Installation.

*** January 27, 2024 at 12PM - Rededication ceremony with Grand Lodge of Florida. Rededication/130th Anniversary coins will be available for sale at \$10.00 each.

From the South

My Brothers,

As we gather together in the hallowed halls of our Lodge, we find ourselves on the threshold of another season. The vibrant days of summer are gently yielding to the cool embrace of autumn, and in this transition, we discover profound lessons that resonate with our Masonic journey.

The Cycle of Life:

Just as the seasons change, so too does the course of our lives. In the scorching heat of summer, we toiled in the quarries of our daily endeavors, much like the Entered Apprentices. We labored, we learned, and we grew. But now, as the days shorten and the leaves begin to fall, we are reminded that all things have their appointed time.

Harvesting the Lessons:

Summer's end calls upon us to reflect on our personal harvests. Have we reaped the fruits of our labor, both in our Masonic work and in our daily lives? Let us consider the seeds of knowledge, virtue, and fellowship we have sown and strive to nurture them into abundant and bountiful yields.

Preparing for the Cold:

As we prepare for the coming winter, let us draw parallels with the Fellowcraft's pursuit of further light in Masonry. Even though we may only have mild winters in our sunshine state, the cold and darkness encroaches, we too seek the warmth and illumination of knowledge, wisdom, and enlightenment. Our studies and introspection during this season shall guide us through the long nights ahead.

Embracing Change:

In the Grand Architect's divine plan, every season serves a purpose, and so do the phases of our Masonic journey. Just as summer turns to fall, our lives and Masonic paths will evolve. Let us embrace these changes with the same grace that the natural world embraces the changing seasons. To fight against this natural change is to fight nature's embrace, let us show the world how masons can adapt and overcome obstacles. Proving society still needs us a sacred band of brothers, Georg Christoph Lichtenberg said, "I cannot say whether things will get better if we change; what I can say is that they must change if they are to get better."

A Time for Brotherhood:

As the outdoor activities of summer wane, let us find solace in the Lodge's embrace. The bonds of brotherhood we share provide warmth in any season, and together we can weather any storm that may come our way. "Moral excellence comes about as a result of habit. We become just by doing just acts, temperate by doing temperate acts, brave by doing brave acts." Aristotle.

Congratulations to Bro Nastase for standing proficient this past meeting, we look forward to seeing you continue your journey. I hope to see everyone at our Halloween themed picnic coming up on the 21st of October. We also have a few degrees taking place before the end of the year, please come out to support your new brothers on their journeys.

In Closing:

As we bid farewell to the lazy days of summer, let us remember that our Masonic journey is a perennial one. Just as the seasons continue their eternal dance, so do we continue our quest for light, knowledge, and self-improvement.

May the Grand Architect guide our steps, and may the lessons of this changing season inspire us to be better Masons and better men.

May the GAOTU guide and protect us,

Rudy Romero, Junior Warden

Office Hours

Mondays & Wednesdays 10:00am - 4:00pm

Fridays 10:00am - 12:30pm

Brethren,

Are we truly entering the Fall Season? The thermometer does not agree with Nature! I hope everyone had a fun filled safe Summer with the families. I also wish all the Brothers and their spouses who are celebrating a Birthday this month a very Happy Birthday. Harmonia is hard a work with our Master Mason Degree team practicing for an upcoming MM Degree this Month. Harmonia Lodge is very busy with our new neighbors, Mint Eco Car Wash, who have finally opened their doors and have asked to resume talks on things they would like to do to help us improve our property. Details will follow as soon as an agreement can be reached.

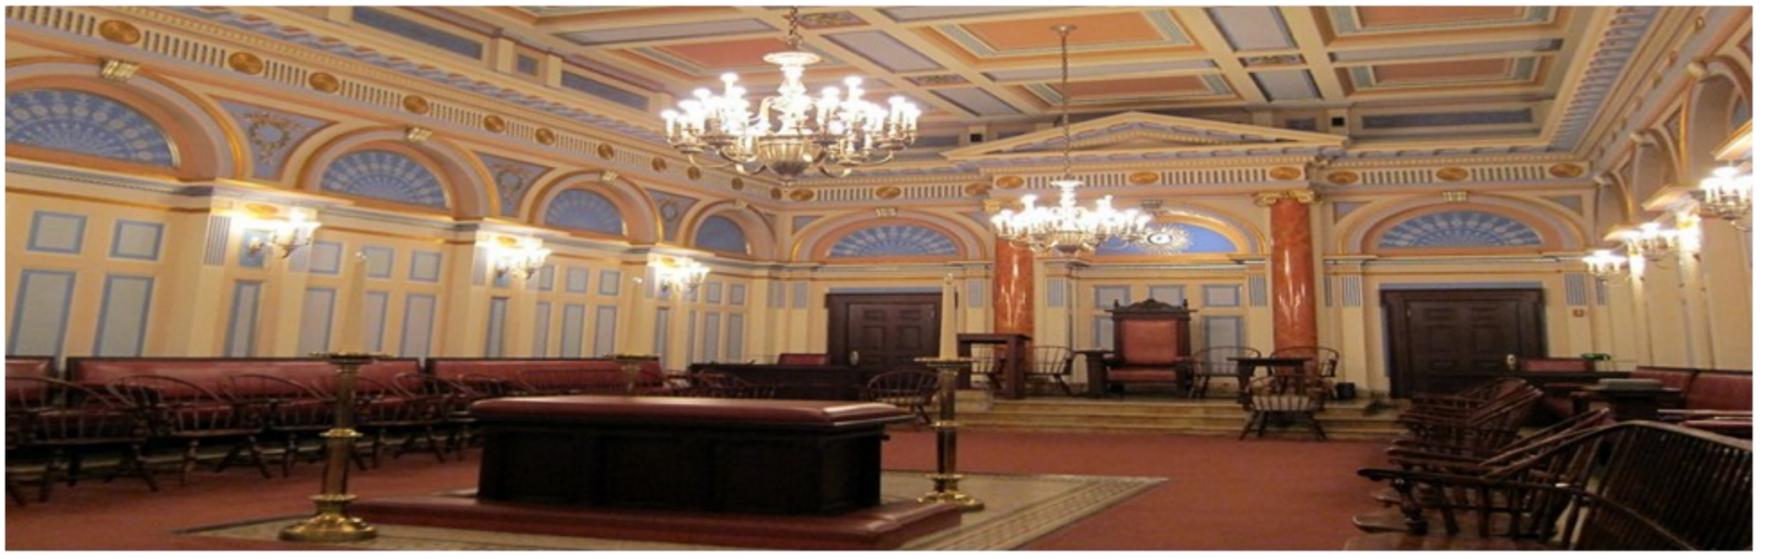

October is the time of year that I must send out Summonses for Non-Payment of Dues per the Digest. Please, please, check your Dues Card and make sure you have a current 2023 Card in your possession. Those who have not paid will be receiving this Summons to attend Lodge to explain why you have not paid your Dues. I have received the Dues Cards for 2024 and will be sending those notices out this month as well. Please remember that the Dues for 2024 are now \$172.30 as the Per Capita has increased \$5.00. Please remember that each of us vowed to pay our Dues as early as possible. If you are in need of assistance, please contact me so we can help you. Our JW has scheduled a Halloween Picnic (Costumes Encouraged) for Harmonia Lodge at Okechee Park Tuskegee Pavilion on October 21st from 10am—4pm. I hear chatter that there might be a WM look-alike contest as well. I hope everyone has a very safe and happy Halloween with the Family.

May the Grand Architect of the Universe continue to watch over us and help guide us.

Fraternally,

W.: Robert C. Gibbons, Secretary

ENMI Lodge No. 1973, By David J. Reilly

Once upon a time in my mind I belonged to a Lodge. I had joined and attended, I didn't care about the cost or the distance I needed to travel to get to the Lodge. I entered on the level, parted on the square and was always treated on the Plumb and as an upright Mason. The fellowship is euphoric, the meetings are knowledgeable and entertaining, and the food really doesn't come into play except on special meetings. Members do not try to outdo one another, and ego, pettiness and daily cares are left outside. It was a joy to be with like minded men and men whose values were held high, and we all felt a joy to be there together. From the West Gate upon entering the Lodge I would see brothers conversing and raising questions on Masonic meanings, Ritual, and enjoying the unity of brotherhood. There was no gossip for there was no verbal communication, it was all done in mental telepathy and kept on the plumb. Upon arriving at ENMI Lodge, more than one brother would introduce and welcome members and visitors alike. It was not uncommon to meet a brother from another time or place. One evening I met Brother Benjamin Franklin (statesmen, Diplomat, inventor, scientist) We were entreated with tales of the Revolutionary War, and his time in France. One brother asked him about his inventions. He explained about his early years as a printer and his inventions of bifocals, lightening rod, Swim Fins, the Franklin Stove, streetlamps and then got off on his idea of a postal service. He explained that as a shop keeper his record keeping was meticulous, and the British Crown recognized it. He was granted the position of Postmaster for the Colonies and he took time establishing routes and service throughout the 13 colonies. A letter could be mailed in Philadelphia, received in New York and reply to Philadelphia in 24 hours. In 1750 he published a newspaper; it would be transported by postal rates and the same uniform postal rates. Franklins' newspaper became the social media of the times. My Lodge continues and we are blessed with Masonic principles and tenets, as well as the many enlightened visitors who share my Lodge and share such interesting facts. I am reminded at each meeting of my obligations and the charges we received during the Masonic Degrees. I am reminded of the duties each mason is charged with, to God, his neighbor and himself. I remind myself I am not to enter countering with the profane concerning Freemasonry. Nor am I to allow or encourage membership of those who will not conform to the Masonic teachings or rules. The lodge always continues to entertain guests of my lodge, not only famous, but men as ourselves, those who like me strive to be better, better men, better husbands, fathers and Masons.
